Pedicure Aftercare Advice

- Use a moisturiser daily to keep the skin soft and supple.
- Remove hard skin regularly using a pumice stone or foot file.
- Use cuticle oil daily to keep cuticles soft and supple.
- If painting toes nails, use a base coat specific to your needs to improve nail growth and protect the nail plate from yellowing or staining if using coloured polish.
- When using nail polish, a clear top coat will help prevent chipping.
- Have regular pedicures to keep your feet and toes nails in tip top condition.
